

INTERVIEW SUMMARY

Applicants would like to thank Examiner Paliwal for the in-person interview conducted on June 24, 2008 with Applicants' representatives Aaron Chatterjee and Gregory Leibold. During the interview, Applicants' representatives discussed independent claims 1, 18, 26, and 27. More specifically, Applicants' representatives discussed the distinctions between the claimed embodiments provided in Applicants previous Amendment filed on May 15, 2008 and the Faucher and Inoue references. Examiner Paliwal agreed that the previous amendments made by applicants overcame the rejection mailed on April 21, 2008. The additional claim amendments included in this Supplemental Amendment were also discussed with Examiner Paliwal.
